Thread Painting a Greeting Card

Things To Know About The Thread Painting Class

1. This class is for beginners to experienced quilters. It is recommended that you have been introduced to machine quilting.....have a working sewing machine with a darning foot.....able to put the feed dogs down on your machine.....and always bring your sewing machine manual with you. You will also need sewing supplies, cutting mat, rotary cutter, small iron, and ironing pad.

2. The homework list is attached. Go through your stash of fabric and look for large printed flowers/object/scene that would fit the size of an index card. I will have some fabric that you can purchase in class. Any type/weight/color of thread can be used.....it is best to keep the metallic threads at home until you get the hang of working with them.....you really need to practice on your own with your machine's tension to use metallics successfully. I use an awful lot of variegated threads.....they go with everything!!!! But, you can't go wrong with primary colors!!!

3. We will begin the class with a short trunk show of mine and some questions and answers.....then you will be on your own to begin letting your creativity flow. You will go home with a finished notecard to send to a friend (or keep for yourself) and lots of ideas for future projects.

9 am to 11:30 am

VILLAGE QUILTS

Saturday, July 15, 2017

Instructor: Clare Neff

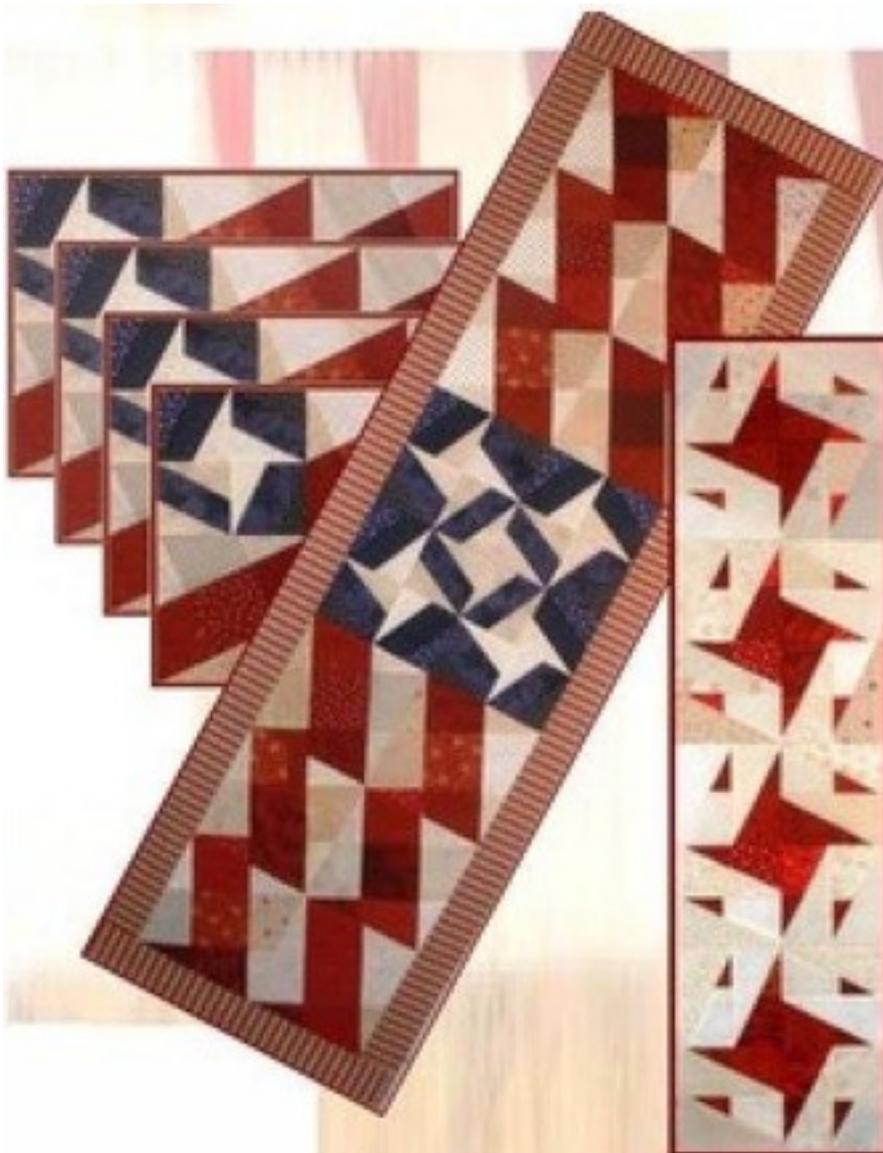

Fee: \$40.00 Students: minimum 3, maximum 12 9 am to 3 pm

Sweet Liberty Table Runner 17"x53"

The pattern requires 2 X-block templates, the 6.5 and the mini 6.5. I will offer a 20% discount to participants who need to buy the templates, that cost would be \$22. I will also put kits together including patriotic fabric and the templates for \$55. The kits will include all fabric, including the backing.

If people want to bring their own fabric, they need a total of:

- 1/2 yard of assorted red fabrics
- 1 yard of assorted neutral fabrics
- 1/4 yard of dark blue fabric
- 1/4 yard of medium blue fabric
- 1/2 yard of a border fabric
- 1 yard backing fabric
