She explained how to cut a two color binding and how to miter borders. She showed how to put a zipper in a pillow case and how to prepare a quick chicken recipe for the slow cooker. She showed us the magic triangle for connecting binding (It Works!) She said we should put our little scrapes into a trash can and then give them to the humane society to be used for pet bedding. We learned how to make a 10-minute table runner, triangulations, Valdani thread holder, and full size to mini. She showed a scrappy quilt template tool. We then had a short opportunity to shop.
